## Young Women's Leadership Charter School of Chicago presents *The Girl Power Benefit Luncheon*

The Young Women's Leadership Charter School (YWLCS) celebrates our success teaching today's Chicago girls how to become tomorrow's global leaders. Join us at *The Girl Power Benefit Luncheon* on April 24, 2012 for a powerful celebration that honors the achievements of YWLCS students and supporters.

As the only all-girls public school in Chicago, YWLCS provides a unique opportunity for donors to **directly impact and strengthen the future of Chicago's young women.** Our donor packages focus on how your support allows us to provide each student with a life-altering education. Become a sponsor and join the movement of true *Girl Power!*
