Dear YWLCS Families,

We hope this letter finds you all enjoying your summer vacation! As we prepare for the upcoming 2011-2012 school year, we would like to remind you of an important issue:

\***ALL** students currently engaged in CPS Summer School credit recovery courses **MUST** submit grade/credit reports **AS SOON AS POSSIBLE** to ensure that your YWLCS transcript is accurate. This information will ensure that you are properly scheduled into the correct courses this school year. Both Session 1 & 2 grade reports must be submitted to the Main Office in order to verify that your student received **1 full credit** for each course they were seeking to recover. Without grade report verification, your student will not be placed in the appropriate course this upcoming school year.

Sincerely,  
Deniece Fields  
Director
